Accident Case involving an Officer of the Department of Electronics

3963. SHRI B. SATYANARAYAN REDDY: Will the PRIME MINISTER be pleased to state:

(a) whether Government's attention has been drawn to the press reports, involving a senior officer of Department of Electronics in an accident case in USA, during the officers private visit to that country;

(b) if so, what are the details of the case and what is Government's liability in the matter; and

(c) whether it was correct to make Government of India a party to the said accident Case, by twisting the rules in favour of the officer and making Government pay a sum of half a million dollars?

THE MINISTER OF STATE IN THE MINISTRY OF SCIENCE AND TECHNOLOGY AND THE MINISTER OF STATE IN THE DEPARTMENTS OF OCEAN DEVELOPMENT, ATOMIC ENERGY, ELECTRONICS, AND SPACE (SHRI K. R. NARAYANAN): (a) Yes, Sir.

(b) The officer visited USA in connection with the Board meeting of Institute of Electrical & Electronics Engineers. He also took this opportunity to visit M/s. Varian Associates for discussing transfer of technology which was already under negotiation. While returning from this discussion he was involved in a motor-car accident. Government's liability in the matter is restricted to what is normally applicable in such cases.

(c) Decisions in the case have been taken in accordance with the rules.
